Statement about Ian

Ian is an experienced Commercial Manager, Quantity Surveyor and Project Manager who has worked at a senior level for developers, main contractors, subcontractors and clients in the building sector. Holding overall responsibility for, and managing projects such as housing schemes, healthcare, leisure centres, retail parks, schools, offices, accommodation blocks, hotels, prison work, airports and building rationalisation projects. The projects have involved new build, refurbishment, alteration and demolition with remediation. Ian has also managed infrastructure implementation, highway schemes linked to these developments and IT/Software Implementation schemes. Gaining valuable and extensive experience in a wide range of construction techniques and forms of contract.

Ian's Personal Quote.

At Shape we fully commit to all tasks and ensure that the work is completed to a high standard, making sure the correct level of detail is attributed to the task in hand. We maintain good communication skills and can tailor this to different situations ensuring that professionalism is maintained at all times. Working well with teams and endeavouring to create an environment for good teamwork providing support and advice wherever possible. Shape will prioritise workload, scheduling tasks and using effective time management skills. Shapes diverse experience gives a good solution for all activities undertaken and we seek alternative solutions to solve problems and improve situations for our clients.
